Contractor agrees that its duty to defend the Indemnified Parties arises upon an allegation of liability based upon the performance of services under this Agreement by Contractor, its officers, agents, representatives, employees, sub-contractors, or anyone for whom Contractor is liable and that an adjudication of Contractor's liability is not a condition precedent to Contractor's duty to defend. Contractor shall defend, at Successful Offeror's own cost, expense and risk, with counsel of NCTD's choosing, any and all such aforesaid suits, actions or other legal proceedings of every kind that may be brought or instituted against the Indemnified Parties. The Bidder shall submit proprietary information, trade secrets or confidential commercial and financial information, which a Bidder believes should be exempted from disclosure, in a separate volume specifically identified and marked as "Confidential", or "Trade Secret", or "Proprietary", or a similar designation.

NCTD will release bid cost or price forms in response to a Public Records Act request subject to the requirements of California Government Code §§ 6250 et seq., so long as the bid cost or price form does not contain trade secrets as defined by the Civil Code. Bid price forms submitted to NCTD are public records and may, therefore, be disclosed in accordance with the California Public Records Act.

The Bidder agrees to indemnify and defend NCTD in the event NCTD withholds production of Bidders records which Bidder has marked "Confidential", or "Trade Secret", or "Proprietary", or similar designations, that are responsive to a Public Records Act request pursuant to California Government Code section 6250, et seq. or a Freedom of Information Act request. The prices paid by NCTD to complete the project shall be considered the prevailing market price at the time such purchase is made or such Agreement is entered into.

This requirement shall not be construed to limit or impair any contractual, administrative, or judicial remedies, otherwise available to the contractor or subcontractor in the event of a dispute involving late payment or nonpayment by the contractor, deficient subcontractor performance, and/or noncompliance by a subcontractor. This clause applies to both DBE and non-DBE subcontractors.

The Construction Manager/Project Manager shall notify the Project Manager and Contracting Officer immediately if the Contractor fails to meet any of the requirements of the Fabrication, Inspection and Test Plan, or at any time the Construction Manager/Project Manager determines that the work performed is substandard. The Project Manager is responsible to determine the course of action to be taken by NCTD upon notification from the Construction Manager/Project Manager.

Disputes between the Contractor and any lower tier DBE subcontractors, which cannot be settled by discussions between the parties involved, shall be settled as described herein. Contractor shall notify NCTD in writing of such dispute within ten (10) days of failure to resolve. If affected subcontractor is not comfortable contracting prime directly regarding payment or unable to resolve payment discrepancies with prime, subcontractor should contact DBELO to initiate complaint. NCTD's DBELO will coordinate meeting requests to assist in the resolution of disputes between Contractor and subcontractor. The assigned NCTD representative will conduct the resolution meetings with parties in dispute. All parties must agree to the procedure. If filing a prompt payment complaint with NCTD's DBELO does not result in timely and meaningful action by NCTD to resolve prompt payment disputes, affected subcontractor may contact the responsible Federal Transit Administration contact. The Contractor and Subcontractors shall include the dispute resolution provision in their contract.
