CITY OF DAVENPORT

Finance Department | Purchasing Division
226 West 4th Street Davenport, IA 52801

Subject: Sales Tax Exemptions

We have occasionally been asked to provide the City's sales tax number that would exempt us from paying state sales tax. There is no such number.

Municipalities and other taxing bodies are exempt from paying sales tax only by Iowa State Statute. The specific reference is Iowa Code, Chapter 422 Income, Corporation, Sales and Bank Tax, section 422.45 Exemptions on Subsection 5.

The City does have a Federal Tax Exemption number that exempts us from certain federal taxes. That number is A-103665.
